

Tył regału wykonać z płyty meblowej melaminowanej białej, obrzeża wykonać w kolorze orzech naturalny.

A line drawing of a modular shelving unit. The unit is composed of numerous rectangular compartments of different sizes, arranged in a grid-like structure. The compartments are of varying heights and widths, creating a complex, multi-level storage system. The drawing is a simple line art, showing the outlines of the compartments without any shading or texture. The unit is shown from a perspective view, highlighting its three-dimensional nature.
